

Students are invited to wear a costume on Oct 31

We have some guidelines to ensure everyone has an enjoyable day:

- 1 No scary costumes, please. This means no blood, gore or zombies: we want our youngest students to be comfortable.
- 2 No violent costumes and no costumes with weapons.
- 3 Masks may be worn but only for the costume parade.

We also ask that students leave their treats at home after Halloween: many children really do not do well at school with all that sugar.
